Why
Upgrade

Key considerations

Bone Dry Dishes

CrystalDry™ is the ultimate drying technology to help eliminate moisture on your dishes, even plastics. Upgrade to at least the 800 series & above.

Less Noise, More Peace

Upgrade to the Benchmark Series for the quietest dishwasher experience.

Flexibility is Key

Bosch offers an upgraded third rack design where you have more flexibility to add bowls and large spoons. Choose the 500 series and above.

*Not on control panel but available through HomeConnect app

** Certain Models Only

*** On control panel for certain models otherwise available through HomeConnect App
